Visa World Solutions has been established to cater for the needs and services of the students that would want to attend any college or university that we are partnered with.

Our aspiration is to be the most trusted and admired consultancy firm in helping students from all over the world to get into the universities/colleges in the country that they desire to learn in.

Some of the services we offer are listed below:

- **Providing assistance for local embassies and making sure the students are confident about the requirements set out by the embassies about studying in their desired country.**
- **We can provide counseling for higher education courses abroad**
- **We can help students find the most cost-effective solution for them**
- **We help the students realize what their real career aspirations are and what would be the best way for them.**
- **Helping the foreign students with the admission process to their desired colleges/universities step-by-step.**
- **We help successful students find accommodation in their chosen country and we also help them find a job or a work placement during their studies.**
